### **JOINT STATEMENT FROM SALINA REGIONAL HEALTH CENTER AND BLUE CROSS BLUE SHIELD KANSAS**

(August 30, 2023) – We’ve heard loud and clear from members and businesses in Salina that you wanted us to resolve our contract quickly. We heard you. Today, we’re pleased to announce we’ve come to a collaborative agreement that lays the foundation for a renewed partnership, one that works towards future sustainability.

BCBSKS members and patients will be able to continue in-network care locally after January 1, 2024, which is when the current contract was set to expire.
